---

## Makeover Program

### About Us:

The Giving Closet Project, Inc. provides clothing and hygiene products to students in need, elevating their self-esteem and dignity. Our grassroots, organization was founded by a former Duval County teacher in April 2016. Today, we are a one-stop shop for educators, making sure that their students' basic needs are met throughout the school year. Weekly, we receive student referrals from counselors, case managers, social workers, and teachers. Our volunteers fill orders at our Giving Closet district "hubs" and then deliver care packages out to schools within one week. Upcycling unclaimed lost and found clothing from schools are the roots from which the GCP began. Learn more about why our Lost and Found Makeover Program is perfect for your school!

# Delores Barr Weaver Fund

— established 2012 —

The GCP's Lost and Found Makeover Program is supported by a grant from the Delores Barr Weaver Fund.

## About the Delores Barr Weaver Fund

Delores Barr Weaver established this Fund at The Community Foundation for Northeast Florida in 2012 to provide grants to nonprofit organizations that do work she has supported over many years and to encourage others to do so as well. Mrs. Weaver has an extraordinary legacy of philanthropy, and she has provided transformative support to dozens of nonprofit organizations that uplift, enlighten and advance our community. Her establishment of the Delores Barr Weaver Fund (\$50 million) in 2012 was the largest gift in The Community Foundation's history.

## We Are Here For You!

The need for providing clothing and other basic essentials for students in need is greater than ever. Whether virtual or back in the brick and mortar, The Giving Closet Project wants you to know that we are here to assist students in need by providing them with clothing and hygiene products. We count on teachers, counselors, social workers, and case managers to identify the students, and work with families to get the information we need to fill care packages. School personnel is the bridge between families and the services we provide. By starting with a school Lost and Found Makeover, this partnership will be the beginning of a collaborative effort to raise awareness of poverty within our school communities and make a difference in a child's life.
